100+ Ways to Support Caregivers by Sharing the Care

Becoming a caregiver adds a new role with many tasks and responsibilities. The time, emotional, mental, and sometimes physical energy needed as a caregiver may mean it is harder to maintain the routine of the household.

Friends and family can create a community of care by sharing caregiving tasks or by sharing tasks of everyday life. One important way to provide support is caring for the caregiver. Another way is to spend time with the person with dementia, allowing the caregiver the flexibility to do other things or rest. Here are some ideas to get you started …

Errands
- Pick-up/return library books
- Pick-up/return videos
- Pick-up/drop off dry cleaning
- Pick-up firewood/gas for grill
