

Have you pursued life, long-term care, or disability insurance while diagnosed with or at-risk for HD?

UTHealth Houston is conducting a research study - Your perspectives will help your providers better understand the motivations, barriers and success rates of obtaining these insurances with HD*

Participate in the survey and be entered into a drawing to receive an Amazon gift card!

Scan the QR code or click [this link](#) to complete a 15-20 minute survey

For questions, please contact the PI,
Karli Livingston, at:
karli.livingston@uth.tmc.edu

*You are eligible to participate if you are 18 years or older, and have a personal or family history of HD
